Thank you for your interest in our products. We appreciate your business. You may order one exact duplicate of each original for half price. Additional duplicates are full price. Ground shipping is free. Use this form if you are not placing your order on the website. (If you have already placed an order on the website and are sending images in, this form is not necessary. Simply include your order number with the images and mail them to the address above.) We charge \$10 per mailed image. Please include this on the "Mailed Image" line of the order form. Images may be supplied as traditional photos between 4x6 and 8x10 or as digital files on a cd. High resolution close-ups in clear focus with good contrast will work best. Scanned, inkjet or laser printouts are not acceptable. Keep product dimensions in mind when selecting an image. Pillows are square, blankets and pillowcases are rectangular, and images for shower curtains and duvets can be either shape. We will crop your image if necessary to make it fit the product you are ordering. We only return your images if you enclose a postage paid, self addressed photo or cd mailer.
